

# WIND RATING CERTIFICATION

Suggested Tell Manufacturing Parts

# For Strong, Safe, Secure Openings.

Please see specific approval documentation at [www.floridabuilding.org](http://www.floridabuilding.org)

## Tell's Wind Rating Certifications, including High Velocity Hurricane Zone (HVHZ).

Tell Doors and Hardware are designed and tested to comply with the requirements of the Florida Building Code (FBC) including High Velocity Hurricane Zone (HVHZ), and the Texas Department of Insurance (TDI). The requirements ensures structures built in a manufacturing facility are in compliance with the FBC and the TDI. The codes are designed to make the local building process more efficient, increase accountability, bring new and safer products to the market, increase consumer confidence, and better protect the residents of these natural-disaster prone states.
