

INTRODUCING OUR NEW

TELSTAR CD

ENGINEERED CONTAINER DOOR

featuring a 2-STEP EZ WELD

TELSTAR CD

ADVANTAGE - TWO. EASY. STEPS.

Tell has listened and delivered. Manufactured specifically for the shipping container, the **Telstar CD** is an all-in-one, pre-assembled door/frame combination that comes ready to weld into your storage container building in just two easy steps.

Shipped pre-assembled with a weld cap, the door is placed flush against the walls of the container's opening, ready to weld in place. The **Telstar CD** makes installation easier and faster than welding heavy tube steel into a frame and attaching a door. Our 16 gauge frames are prepped for hinges, ASA and deadbolt strike. The 20 gauge door comes with a polystyrene core, ADA threshold, and are reinforced for door closers.

2-STEP EZ WELD

1. Place in Opening

2. Weld in Place

Patent Pending

DOORS & HARDWARE

TELSTAR CD

Engineered Container Door

The door is 20 gauge hollow metal and 16 gauge frame with outer frame cap ready to weld. Our container doors are manufactured with a polystyrene core and come pre-assembled. The **Telstar CD** makes installation easy and fast.

SPECIFICATIONS

- Rough Opening** ▪ 41 1/8" x 82 3/16"
- Door Size** ▪ 35 3/4" x 79 1/8" x 1 3/4" (3068)
- Frame Dimension** ▪ 41 1/8" x 82 3/16" x 3 7/8" Single rabbet
- Weight** ▪ 126 lbs

FEATURES

- Assembly** ▪ Pre-hung door and frame
- Door** ▪ 20 gauge galvanized steel
- Lock Prep**
 - 161 lock prep
 - Deadbolt prep or invisible deadbolt prep (IDB)
- Insulation** ▪ Polystyrene core
- Channels** ▪ 16 gauge inverted top and bottom channel
 - 16 gauge galvanized steel
- Frame**
 - Welded top corners
 - ASA strike prep
 - Deadbolt prep with filler plate for (IDB)
- Frame EZ-Weld** ▪ Metal surfaces prepped for easy weld-in frame installation
- Finish *** ▪ Unfinished galvanized metal surface
- Hinge Prep**
 - 4 1/2" heavy-duty hinges
 - Non-removable hinge pin
- Closer Prep** ▪ 14 gauge reinforced steel, standard
- Strike**
 - ASA strike prep
 - Deadbolt prep
- Threshold** ▪ ADA compliant - 4 3/4" d x 1/2" h
- Door Trim** ▪ Weatherstrip and door sweep shipped loose
- Shipping** ▪ In crates of 9

OPTIONS

- Lite Kit** ▪ Optional 10 x 10 available

* **Telstar CD** comes with unfinished galvanized metal surface for weld-in frame installation. Lock hardware and lite kits are additional.
